Recommended Subject Combination

Arts without Maths

Why choose this Subject Combination:

Alignment with Student Profile:

- Maximizes access to all approved clusters (Legal Services, Performing Arts, Hospitality, Tourism & Transport).
- Avoids mathematics, respecting your strong subject dislike and low aptitude in numerical/mechanical domains.
- Aligns with your academic strengths, personality, and interests.

Cluster Set Access: Arts without Maths provides access to:

- Legal Services
- Performing Arts
- Hospitality, Tourism & Transport Services

These sets match your highest fitment scores and maximize your career options in line with your profile.

Ideal Subjects to Consider:

- English
- Hindi (or other language)
- History
- Political Science
- (Optional: Sociology, Psychology, Fine Arts, Legal Studies, Performing Arts, Home Science, Media Studies, Geography, as per school availability and interest)

Subject Combination Aspiration Evaluation

Aspiration: Arts without Maths Alignment:

- Arts without Maths is the best match for your strengths and recommended clusters.
- Your aspiration (Marine Engineer) requires PCM which is not recommended for your profile.

Final Verdict:

Highly Suitable for your strengths and recommended career pathways; Not Suitable for your career aspiration (Marine Engineer).

Career Cluster Recommendations

Primary Career Recommendation

Legal Services

Why this Cluster?

- Strong fit with your language skills and preference for Hindi.
- Avoids Mathematics, aligning with your subject dislikes and low numerical aptitude.
- Offers intellectually engaging, respected careers suitable for practical, calm, and introverted personalities.
- Wide range of accessible pathways for Arts without Maths students.

Top Careers:

- [Lawyers](#)
- [Judges](#)
- [Public Prosecutors](#)

Performing Arts

Why this Cluster?

- Matches your hobby (listening to music) and supports creative self-expression.
- No mathematics required; accessible for your profile and personality.
- Suits quiet, practical, and introverted students.

Top Careers:

- [Musicians](#)
- [Theatre Artists](#)
- [Actors](#)

Backup Career Option

Hospitality, Tourism & Transport Services

Why this Cluster?

- Practical, people-oriented roles that do not require strong math or science background.
- Suitable for high academic achievers who prefer real-world, service-oriented careers.
- Wide variety of career pathways for Arts without Maths students.

Subject Combination Eligibility:

- Arts without Maths

Top Careers:

- [Hotel Management Professionals](#)
- [Travel & Tourism Professionals](#)
- [Chefs](#)

Career Aspiration Evaluation

Career Aspiration: Marine Engineer

Cluster Status: Engineering & Technology (NOT in your top 10 clusters)

Verdict: **Not Suitable**

Stream Aspiration: PCM

Evaluation: Strong academic record, but PCM is not recommended due to low aptitude and strong dislike of mathematics. Would expose you to challenging subjects that do not match your interests or strengths.

Verdict: **Not Suitable**

Best wishes for your journey ahead!
